### **REASONS FOR ALLOWANCE**

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on February 16, 2009 has been entered.

The following is an examiner's statement of reasons for allowance:

Applicant's arguments, see pages 10-12, filed February 16, 2009, with respect to the rejection of claims 53-55 under 35 U.S.C. 112, first paragraph, have been fully considered and are persuasive. The rejection under 35 U.S.C. 112, first paragraph, of claims 53-55 has been withdrawn.

Applicant's arguments, see pages 13-16, filed February 16, 2009, with respect to the rejection of claims 11-15, 35-37 and 53-55 under 35 U.S.C. 103(a) have been fully considered and are persuasive. The rejection of claims 11-15, 35-37 and 53-55 under 35 U.S.C. 103(a) has been withdrawn.

The image partitioning process taught in the Wang reference is not based on the number or dimensions of images in the sheet of film, or based on a known configuration of images on the sheet of film (Applicants Remarks, page 16, lines 4-16). It is based on detection of the collimation blades obtained from analysis of the digitized sheet and therefore does not configure a digital template based on the number of images, regular grid arrangement of the images, dimensions of the image frames, or regular array arrangement of the images as required by claims 11, 35 and 53.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to ANTHONY MACKOWEY whose telephone number is (571)272-7425. The examiner can normally be reached on M-F 9:00-6:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Matthew Bella can be reached on (571) 272-7778. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
